Steamatic of Sacramento

Overview

Steamatic of Sacramento, Inc. is a professional company that cleans and restores structures and contents damaged by water, smoke and mold. Steamatic of Sacramento Healthy Home Services™ deals with indoor air quality issues.

Steamatic of Sacramento has provided 24-hour emergency response for Sacramento area businesses and residents since 1972. Steamatic's extensive resources and affiliations allow it to handle virtually any restoration or recovery need—regardless of problem source or size.

Steamatic of Sacramento's team has more than 80 years combined experience in the restoration field. Affiliation with national organizations, Steamatic Inc. and BMS Catastrophe, assist in managing esoteric and large-scale losses.

Engaged in industry best practices, Steamatic of Sacramento's commitment to creating an organization-wide culture of excellence assures clients excellent quality and service.

Steamatic of Sacramento Healthy Home Services™ evaluates indoor environmental issues, corrects problems, and minimizes indoor contaminants. Combining extensive experience in cleaning and restoration with superior methodology and equipment, Healthy Home Services™ creates optimal healthy home or office environments.

Market

Indoor air quality, restoration and cleaning are gaining considerable attention and recognition as significant factors in overall health. Steamatic of Sacramento keeps pace with these rapid changes and industry developments through ongoing education and its national affiliations.

Steamatic of Sacramento passes on the benefits of industry education and on the job learning to clients and associates through effective practices, consultation, seminars and on-line educational resources.

Mission

Steamatic of Sacramento is committed to delivering superior restoration and recovery services for commercial and residential customers who have suffered a loss - be it minor or catastrophic. Steamatic is equally committed to the prevention and resolution of indoor environmental problems whether or not related to a customer loss.

Steamatic's core value statement is to provide professional services with uncompromised standards. In delivering services, Steamatic of Sacramento is dedicated to doing the job right, not compromising standards and sharing knowledge and resources with others.
